Unit 1 – Chemical Changes and Structures

1a Periodicity
› Head of Chemistry and Science Teacher

1b Structure and Bonding
› Advanced Apprentice – Forensics  › Bioanalytical Scientist
› Assistant Analyst, Drug Control Centre  › Associate Researcher, Pharmaceuticals
› Astrochemist  › Atmospheric Chemist
› Chief Chemist  › Director of Medicinal Chemistry, GSK
› Consumer Products Technician  › Environmental Chemist
› Fine Fragrance Evaluator  › Forensic Scientist
› Head of Chemistry and Science Teacher  › Household Goods Scientist
› Patent Attorney  › Project Leader in Enhanced Experimentation, Shell
› Postdoctoral Research Associate

Unit 1 – Chemical Changes and Structures

1b Structure and Bonding
› Research Fellow
› Scientific Associate
› Sustainability Manager
› Senior Analytical Systems Technician
› Sports Scientist

1c Oxidising and Reducing Agents
› Environmental Chemist
› Head of Chemistry and Science Teacher

Unit 2 – Nature’s Chemistry

2a Systematic Carbon Chemistry
› Advanced Apprentice – Forensics
› Atmospheric Chemist
› Director of Medicinal Chemistry
› Fine Fragrance Evaluator
› Associate Researcher, Pharmaceuticals
› Consumer Products Technician
› Environmental Chemist
› Flavour Chemist and Innovation Director

Unit 2 – Nature’s Chemistry

2a Systematic Carbon Chemistry

› Forensic Scientist
› Household Goods Scientist
› Scientific Associate
› Head of Chemistry and Science Teacher
› Medical Research Council Board Secretary
› Sports Scientist

2b Alcohols

› Consumer Products Technician
› Fine Fragrance Evaluator
› Head of Chemistry and Science Teacher
› Medical Research Council Board Secretary
› Flavour Chemist and Innovation Director
› Forensic Scientist
› Household Goods Scientist

2c Carboxylic Acids

› Consumer Products Technician
› Forensic Scientist
› Medical Research Council Board Secretary

› Flavour Chemist and Innovation Director
› Head of Chemistry and Science Teacher
› Household Goods Scientist

2d Esters, Fats and Oils

› Consumer Products Technician
› Flavour Chemist and Innovation Director
› Head of Chemistry and Science Teacher
› Medical Research Council Board Secretary

› Fine Fragrance Evaluator
› Forensic Scientist
› Household Goods Scientist

2e Soaps, Detergents and Emulsions

› Consumer Products Technician
› Head of Chemistry and Science Teacher
› Household Goods Scientist

2f Proteins

› Consumer Products Technician
› Head of Chemistry and Science Teacher
› Postdoctoral Research Associate
› Flavour Chemist and Innovation Director
› Household Goods Scientist
› Sports Scientist

2g Oxidation of Food

› Consumer Products Technician
› Head of Chemistry and Science Teacher
› Sports Scientist
› Flavour Chemist and Innovation Director
› Household Goods Scientist

2h Fragrances
› Consumer Products Technician
› Flavour Chemist and Innovation Director
› Household Goods Scientist
› Fine Fragrance Evaluator
› Head of Chemistry and Science Teacher

2i Skin Care
› Atmospheric Chemist
› Head of Chemistry and Science Teacher
› Consumer Products Technician
› Household Goods Scientist

Unit 3 – Chemistry in Society

3a Getting the Most from Reactants
› Advanced Apprentice – Forensics
› Bioanalytical Scientist
› Assistant Analyst, Drug Control Centre

Unit 3 – Chemistry in Society

3a Getting the Most from Reactants
- Chief Chemist
- Forensic Scientist
- Household Goods Scientist
- Scientific Associate
- Sustainability Manager
- Director of Medicinal Chemistry
- Head of Chemistry and Science Teacher
- Project Leader in Enhanced Experimentation, Shell
- Senior Analytical Systems Technician

3b Controlling the Rate
- Director of Medicinal Chemistry
- Head of Chemistry and Science Teacher
- Project Leader in Enhanced Experimentation, Shell
- Scientific Associate
- Senior Analytical Systems Technician
- Sustainability Manager
